## Station Regulations

1. Copies of Station Regulations may be procured at Central Office, located on the top deck of the Administration Building.

2. Particular attention is invited to the following sections of Station Regulations:

(a) Chap. 3, Sec. 5 Flight Gear

Chap. 4, Sec2 Flight Gear

(b) Chap. 5, Sec. 24 (K) Smoking

## Security Regulations

### Fire

1. The fire alarm is a coded signal sounded on the fog horn. The signal is repeated four times, with tap bells and gongs sounding simultaneously in the major buildings.

2. If driving a motor vehicle when the alarm sounds, pull to one side of the road until the fire apparatus has passed. DO NOT BLOCK TRAFFIC. Be prepared to assist in combating a fire when so directed.

### General Alarm

This alarm, is one long blast on the air horn. A long blast on the air horn followed by the sound of a siren indicates the presence of enemy planes or an air-raid.

### Cameras

Only official Navy cameras will be used on the station.

### Identification cards, passes, decalcomania

Identification cards, passes, and decalcomania for motor vehicles may be obtained from the Security Department.
